OFFICE MEMORANDUM

Dated Aizawl, the 23<sup>rd</sup> January, 2002.

Subject : Interpretation of the term 'Foreign Service' - Clarification thereof.

It has been observed that there are misconception among various departments in the interpretation of the term '[Foreign Service' since some officers are on deputation under the Mizoram Public Service Commission or the three Autonomous District Councils (viz.- Chakma Autonomous District Council, Lai Autonomous District Council and Mara Autonomous District Council).

It is hereby clarified that services on deputation under Mizoram Public Service Commission or the three Autonomous Districts is not to be treated as Foreign Service since these establishments are under the consolidated fund of the state.

Foreign Service shall literally mean service in which a Government servant receives his pay with the sanction of the Government from any source other than the Consolidated Fund of India or the Consolidated Fund of a State or the Consolidated Fund of a Union Territory, as per the FR & SR.

Services on deputation under any establishment/corporations funded under the Consolidated Fund of India, Consolidated Fund of a State or Consolidated Fund or Union Territory should not be treated as Foreign Service.

Subject : Sanction of Leave on Medical ground.

It has come to the notice of this Department that there are instances, where application for grant of Commuted leave supported by Provisional permission for undergoing Medical examination and treatment outside the State/Medical prescription statement etc. were submitted to the leave sanctioning Authorities. This practice is not only irregular but also not admissible under the AIS or CCS Leave Rules.

It is therefore hereby reiterated that any Government Servant who intends to avail Commuted Leave on Medical ground should note that only the Government servant who has been examined and considered by an Authorised Medical Attendant and recommended absence from duty for any period in the form of Medical Certificate in Form-3 or Form-4 in respect of Gazetted Government servant and Non-Gazetted Government servant respectively may apply Commuted Leave on Medical Certificate (Medical ground) in Form-I vide Rule 13 of AIS (Leave) Rules, 1955 and Rule 14, 19 (1) and 30 (1) of the CCS (Leave) Rules, 1972.

It is further clarified that all the days of the period covered by the Medical Certificate for absence from duty (Leave) irrespective of holidays (s) or working day (s) should be treated as part of leave and the holiday (s), if any, covered by such Medical Certificate preceding the leave period applied for cannot be prefixed and the holiday succeeding the leave period applied for cannot be suffixed to the leave vide Govt. of India's Decision (1) below Rule 5 of the AIS (Leave) Rules 1955 and Rule 22 (1) (ii) of CCS (Leave) Rules, 1972.

Further, on expiry of such leave, if any, availed on Medical Certificate (Ground), the Government servant is required to produce Medical Certificate of fitness to resume duty in Form-5 as required under Rule 23 of AIS (Leave) Rules, 1955 and Rule 24 (3) (a) of CCS (Leave) Rules, 1972.

It is, therefore, re-iterated here that the recommending Authorities/Controlling Officer and the leave sanctioning Authorities should adhere to the above stipulated condition of the Leave Rules while considering application for sanction of leave on Medical ground and any application for Commuted leave irrespective of the duration of the leave period applied for which is not supported by Medical Certificate prescribed under the said Leave Rules should neither be recommended nor sanctioned.

Subj: Formula to be adopted for making Direct Recruitment.

The question of fixing number of candidates to be called to appear before the Selection Committee has been under consideration of the Government for quite some time. In order to make uniform practice and to avoid giving false hope to the candidates as also to save energy and time to all concerned, it is decided that henceforth , the number of candidates to be called for an interview should be worked out by adopting the formula i.e. Number of vacancy X 3 + 5.

The above formula should be strictly followed by all departments in all cases of direct recruitment where written/practical test and interview are to be conducted.

**OFFICE MEMORANDUM**

Dated Aizawl, the 24<sup>th</sup> January, 2005.

Subject : **PROCEDURE TO BE OBSERVED BY DEPARTMENT PROMOTION COMMITTEE.**

1. In supersession of this Department's Office Memorandum of even No. dt. 10<sup>th</sup> Oct., 2002, the undersigned is directed to say that the following procedure shall be observed by the Departmental Promotion Committee under the Govt. of Mizoram with immediate effect. \* "It is hereby clarified that in respect of vacancy/vacancies arising during the vacancy year 2004-2005, the new procedure (dated 24.1.2005) will be followed, in respect of vacancies arising on or after 24.1.2005 and for vacancies occurring before 24.1.2005, the previous procedure dated 10.10.2002 should be followed and Review DPC may be convened wherever necessary consequent to the above clarification."

2. Each Departmental Promotion Committee should apply its own method and procedure for objective assessment of the suitability of the candidates. No interview should be held unless it is specifically provided in the Recruitment Rules/Service Rules for the post/service. Whenever promotions are to be made by the method of 'Selection' by the DPC and the Administrative Department desires that an interview should form part of the selection process, necessary provisions should be made in the Recruitment Rules.

3. Selection Method :

3.1 Where promotions are to be made by selection method as prescribed in the Recruitment Rules, the DPC shall, for the purpose of determining the number of officers who will be considered from out of those eligible officers in the feeder grade(s), restrict the field of choice as under with reference to the number of clear regular vacancies including anticipated ones within the year proposed to be filled.

No. of vacancies	No. of officers to be considered
1	5
2	8
3 and above	Twice the number of vacancies + 4

3.2 The DPCs enjoy full discretion to devise their methods and procedure for objective assessment of the suitability of candidates who are to be considered by them. In order to ensure greater selectivity in matters of promotions and for having uniform procedure for assessment of DPCs, the following broad guidelines are laid down to regulate the assessment of suitability of candidates by DPCs.

\* Clarification issued vide **NO. A. 32012/1/2003-P&AR(GSW dt 1.6.2005.**

3.3 While merit has to be recognized and rewarded, advancement in the officer's career should not be regarded as a matter of course but should be earned by dint of hard work, good conduct and result oriented performance as reflected in the annual confidential reports and based on strict and rigorous selection process.

3.4 Government also desires to clear the misconception about "Average" performance, while "Average" may not be taken as an adverse remark in respect of an officer, at the same time, it cannot be regarded as complimentary to the officer, as "Average" performance should be regarded as routine and undistinguished. It is only performance that is above average and performance that is really noteworthy which should entitle an officer to recognition and suitable rewards in the matter of promotion.

3.4 Confidential Rolls are the basic inputs on the basis of which assessment is to be made by each Departmental Promotion Committee. The evaluation of CRs should be fair, just and non-discriminatory. Hence,

(a) The DPC should consider CRs for equal number of years in respect of all officers considered for promotion subject to (b) & (c) below

(b) The DPC should assess the suitability of the candidates for promotion on the basis of their service records and with particular reference to CR for 5 (five) preceding years, even if the qualifying service prescribed in the Service Rules/Recruitment Rules is more than 5 (five) years. (If more than one CR has been written in a particular year all the CRs for the relevant years shall be considered together as the CR for one year).

(c) In the case of an officer directly recruited to a Group 'A' post whose Service/Recruitment Rules prescribe a qualifying service of less than 5 (five) years for Promotion to the next higher grade, his CRs for the period he served in that grade will be taken into consideration even if he does not have CRs for last 5 years provided the officer concerned possesses CRs for the number of years of qualifying service prescribed in the respective Service/Recruitment Rules.

(d) When ACR has not been written by the Reporting Officer despite submission of the self-appraisal to the Reporting Officer by the officer reported upon during the relevant period the DPC should consider the CR of one preceding year beyond the relevant period.

(e) Where an officer is officiating in the next higher grade and has earned CRs in that grade, his CRs in the grade may be considered by the DPC in order to assess his work, conduct and performance, but no extra weightage should be given merely on the ground that he has been officiating in the higher grade.

(f) The DPC should not be guided merely by the grading that may be recorded in the CR, but should make its own assessment on the basis of the entries in the CRs, because it has been noticed that, sometimes the grading in a CR may be inconsistent with the assessments under various parameters or attributes.

- (g) If the Reviewing Authority or the Accepting Authority, as the case may be, has overruled the Reporting Officer or the Reviewing Authority, as the case may be, the remarks of the latter authority should be taken as the final remarks for the purpose of assessment, provided it is apparent from the entries that the higher authority has come to a different assessment consciously after due application of mind. If the assessment of the Reporting Officer, Reviewing Authority and Accepting Authority are complimentary to each other and one does not have the effect of overruling the other, then the remarks should be read together and the final assessment made by the DPC.
- (h) ACRs of officers which became available during the year immediately preceding the vacancy year should be considered by the DPCs even if meetings are held later than the year of vacancy. For example, for the vacancy year 2005-2006, ACRs upto the year ending 31<sup>st</sup> March, 2004 are required to be considered.

3.6(i) Having regard to the level, nature and importance of duties attached to the posts to which promotions are to be made, the bench mark will be as follows.

<b>CATEGORY OF POSTS</b>	<b>BENCH MARK</b>
(a) to all Group 'A' and Group 'B' Gazetted posts	VERY GOOD
(b) to all Group 'B' and Group 'C' posts	GOOD

\*\* "Instances have come to notice where Para 3.6 (i) under O.M.No.A.32012/1/2003-P&AR(GSW) dated 24.1.2005, wherein the prescribed bench mark of 'Good' has been upgraded to 'Very Good' under certain categories, appears to have been misinterpreted or misconceived.

Since ACRs of preceding years are to be assessed for promotion, it is hereby reiterated that bench marks prescribed during the relevant period of the ACRs, before issue of the new O.M., should hold good as bench mark in DPCs conducted under the new DPC procedure i.e. if bench mark during the relevant period was 'Good', then it shall be treated as equivalent to the new prescribed bench mark of 'Very Good'.

Recommendations made after issue of O.M. No. A.32012/1/2003-P&AR(GSW) dated 24.1.2005 wherever necessary and as far as practicable may be reviewed accordingly."

3.6(ii) The DPC shall determine the merit of those being assessed for promotion with reference to the prescribed bench mark and accordingly grade the officers as "FIT" or "UNFIT" only.

Those officers who get at least four prescribed benchmarks including the last, out of ACRs for five years will be graded "FIT" by the DPC. In the case of those officers covered by para 3.5 (c) all the ACRs for the period they served in that grade will be taken into consideration and only those officers who get the prescribed bench marks in all the ACRs of the relevant period will be graded "FIT" by the DPC.

Only those officers who are graded FIT by the DPC shall be included in the panel for promotion to the extent of the number of vacancies. They will be arranged in the order of their inter-se-seniority in the feeder grade. Those officers who are graded UNFIT (in terms of the prescribed benchmarks) by the DPC shall not be included in the panel. Thus, there shall be no supersession in promotion among those who are graded FIT (in terms of the prescribed bench mark) by the DPC.

\*\* Clarification issued vide NO. A. 32012/1/2003-P&AR(GSW dt 5.12.2005

3.6(iii) Where sufficient number of officers with the required bench mark are not available within the zone of consideration, only officers with the required bench mark will be placed on the panel. For the

unfilled vacancies, the appointing authority should hold a fresh DPC by considering the required number of Officers beyond the original zone of consideration.

3.7 Where for reasons beyond control, the DPC could not be held in a year(s), even though the vacancies arose during the year (or years), the first DPC that meets thereafter should follow the following procedure –

- (i) Determine the actual number of regular vacancies proposed to be filled for each of the vacancy years separately.
- (ii) Consider in respect of each of the years those officers only who would be within the field of choice with reference to the vacancies starting with the earliest year onwards.
- (iii) Prepare a 'Select List' by placing the select list of the earlier year above the one for the next year and so on.

3.8 Where a DPC has already been held in a year and further vacancies arise during the same year due to death, resignation, voluntary retirement, etc. or because the vacancies were not intimated to the DPC due to error or omission on the part of the Department concerned, the following procedure should be followed :-

- (i) In case of vacancies belonging to the category which could not be foreseen at the time of placing facts and materials before the DPC, another meeting of the DPC should be held for drawing up a panel for these vacancies as these vacancies could not be anticipated at the time of holding the earlier DPC. If, for any reason, the DPC cannot meet for the second time, the procedure of drawing up of year-wise panels may be followed when it meets next for preparing panels in respect of vacancies that arise in subsequent year (s).
- (ii) In case of non-reporting of vacancies due to error or omission (i.e though the vacancies were there at the time of holding DPC meeting they were not reported to it) which results in injustice to the officers concerned by artificially restricting the zone of consideration, the wrong done cannot be rectified by holding a second DPC or preparing year-wise panel. In all such cases, a review DPC should be held keeping in mind the total vacancies of the year.

3.9 For the purpose of evaluating the merit of the officers while preparing year-wise panels, scrutiny of the record of service of the officers should be limited to the records that would have been available had the DPC met at the appropriate time. For instance, for preparing a panel relating to the vacancies of 2005-2006 the latest available records of service of the officers up-to the period ending March 2004 as the case may be should be taken into account and not the subsequent one. However, if on the date of the meeting of the DPC, Departmental Proceedings are in progress and under the existing

instructions sealed cover procedure is to be followed, such procedure should be observed even if Departmental Proceeding were not in existence in the year to which the vacancy is related. The officer's name should be kept in the sealed cover till the proceedings are finalized.

3.10 While promotions will be made in the order of the consolidated select list, each promotion will have only prospective effect even in cases where the vacancies relate to earlier year(s).

4. Non-Selection method :

Where the promotions are to be made on 'Non-Selection' basis according to Recruitment Rules, the DPC need not make a zone or a comparative assessment of the records of officers and it should categorise the officers 'fit' or 'not yet fit' for promotion on the basis of assessment of their record of service. While considering an officers 'fit', guidelines in para 3.4 should be placed in the panel in the order of their seniority in the grade from which promotions are to be made.

5. Calculation of Vacancies :

For preparation of a select list, Departments may calculate the vacancies on financial year-wise for reporting to the DPC.

6. Crucial date for determining eligibility :

The eligibility dates for determining the eligibility of officers for promotion would be the first day of the vacancy year i.e. 1<sup>st</sup> April.

The crucial date indicated above would be applicable to only such service and posts for which statutory Service Rules do not prescribe crucial date.

Subject : Assured Career Progression (ACP) Scheme for various categories of post in Group 'B' 'C' and 'D'.

In order to extend the provisions of the existing ACP Scheme to various categories of employees in Group 'B' 'C' and 'D' in addition to those employees holding isolated posts, the State Council of JCM took initiative and had considered the matter in the meeting from time to time. Finally, the JCM had come to the conclusion that the existing ACP Scheme should also be extended to those employees who had been stagnating at entry grade in the same post or in the same scale of pay for a long time irrespective of whether the post is isolated or not. The matter was then placed before the Cabinet. The Council of Ministers in its meeting held on 22.9.2005 accepted the recommendation of the JCM for implementation of ACP Scheme for various categories of posts in Group 'B', 'C' and 'D' and hence, the Government has now decided to implement the new ACP Scheme as at Annexure – I & II with the following conditions:-

1. The Scheme shall become operative from the date of publication of this O.M. in the official Gazette.

2. The financial upgradation shall be given to the next higher grade in accordance with the existing hierarchy in a cadre/category of posts without creating new posts for the purpose. However, in case of isolated posts in the absence of defined hierarchical grades, financial upgradation shall be given to the immediately next higher(standard/common) pay scale as indicated in Annexure-II. The highest existing pay scale which can enjoy the financial upgradation under the Scheme shall be Rs. 7500-12000. Beyond this level, there shall be no financial upgradation.
3. The Scheme will be extended to the various categories of posts in Group B,C & D. irrespective of whether they are isolated post or not. If any doubt has arisen in the implementation of this Scheme, the decision of DP & AR will be final and binding.
4. Casual or daily rated workers, officiating/Ad-hoc employees, work-charged or contract employees shall not qualify for the benefits under this Scheme.
5. A Departmental Screening Committee shall be constituted for the purpose of processing the case for grant of benefits under this Scheme.
  - (1) The composition of the Screening Committee shall be the same as that of the DPC prescribed under the relevant Recruitment Rules for selection or regular promotion or that of the DPC for promotion to the analogous grade in the Department in case of Group 'B' & 'C'. In all cases, inclusion of representative of DP&AR as one of the members of DSC should also be ensured by all departments.
  - (2) In order to avoid undue strain on the administrative machinery, the Selection Committees shall meet twice in a financial year for advance processing of ACP case.
6. The ACP scheme envisages merely placement in the higher pay scales through financial upgradation and hence, there shall be no change in the designation nor duties & responsibilities nor classification of posts in terms of Groups, etc.
7. Financial upgradation already been taken in terms of ACP Scheme, 2003 prior to commencement of this OM shall not be re-opened.
8. Any clarification or doubt into the scope and meaning of the provision of ACP Scheme shall be referred to DP & AR(ARW).
9. This supercedes this Department's O.M. of even No. dt.12.8.2003.

**CONDITIONS FOR GRANTS OF BENEFITS  
UNDER THE SCHEME**

1. The ACP Scheme envisages merely placement in the higher pay scale and grant of financial benefits through financial (upgradation) only to the Government servant concerned on personal basis and shall, therefore, neither amount to functional/regular promotion nor would require creation of new posts for the purpose.
2. The highest existing pay scale which can enjoy the financial upgradation under the Scheme shall be Rs. 7500 – 12000. Beyond this level, there shall be no financial upgradation and higher posts shall be filled strictly on vacancy based promotion.
3. The “financial benefits” under the ACP Scheme shall be granted from the date of completion of the eligibility period prescribed under the ACP Scheme or from the date of issue of these instructions whichever is later.

4.1 The first financial upgradation under the ACP Scheme shall be allowed after 16 years of regular service and the second upgradation after 14 years of regular service from the date of the first financial upgradation subject to fulfillment of prescribed conditions. And in respect of employees who have already rendered more than 16 years but less than 30 years of regular service, while the first financial upgradation shall be granted immediately, the surplus regular service beyond the first 16 years shall also be counted towards the next 14 years of regular service required for grant of the second financial upgradation and consequently they shall be considered for the second financial upgradation also as and when they complete 30 years of regular service without waiting completing of 14 more years of regular service after the first financial upgradation already granted under the Scheme.

4.2 At the sametime, if the first upgradation gets postponed on account of the employee not found fit or due to departmental proceedings, etc. this would have consequential effect on the second upgradation which would also get deferred accordingly.

5.1 Two financial upgradations under the ACP Scheme in the entire Government Service career of an employee shall be counted against regular promotions (including in-situ promotion and fast tract promotion availed through limited departmental competitive examination) availed from the grade in which an employee was appointed as a direct recruit. This shall mean that two financial upgradations under the ACP Scheme shall be available only if no regular promotions during the prescribed periods (16& 30 years) have been availed by an employee. If an employee has already got one regular promotion, he shall qualify for the second financial upgradaion only on completion of 30 years of regular service under the ACP Scheme. In case two prior promotions on regular basis have already been received by an employee, no benefit under the ACP Scheme shall accrue to him.

5.2 Residency periods (regular service) for grant of benefits under the ACP Scheme shall be counted from the grade in which an employee was appointed as a direct recruit.

6. Fulfillment of normal promotion norms (bench mark, departmental examination, seniority-cum-fitness in the case of Group 'D' employees, etc.) for grant of financial upgradations, performance of such duties as are entrusted to the employees together with retention of old designations, financial upgradations as personal to the incumbent for the stated purposes and restriction of the ACP Scheme for financial and certain other benefits (House Building Advance, allotment of Government accommodation, advance, entitlements, etc.) only without conferring any privileges related to higher status (e.g. invitation to ceremonial functions, deputation to higher posts, etc.) shall be ensured for grant of benefits under the ACP Scheme.

7. Financial upgradation under the scheme shall be given to the next higher grade in accordance with the existing hierarchy in a cadre/category of posts without creating new posts for the purpose. However, in case of isolated posts, in the absence of defined hierarchical grades, financial upgradation shall be given by the department concerned in the immediately next higher (standard/common) pay scale as indicated in Annexure-II. For instance, incumbents of isolated posts in the pay scales S-4 as indicated in Annexure-II will be eligible for the proposed two financial upgradations only to the pay scales S-5 and S-6. Financial upgradation on a dynamic basis (i.e. without having to create posts in the relevant scales of pay) has been recommended by the Fifth Central Pay Commission only for the incumbents of isolated posts which have no avenues of promotion at all. Since financial upgradations under the Schemes shall be personal to the incumbent of the isolated post the same shall be filled at its original level (pay scale) when vacated. Posts which are of a well-defined cadre shall not qualify for the ACP Scheme on 'dynamic' basis. The ACP benefits in their case shall be granted conforming to the existing hierarchical structure only.

8. The financial upgradation under the ACP Scheme shall be purely personal to the employee and shall have no relevance to his seniority position. As such, there shall be no additional financial upgradation for the senior employee on the ground that the junior employee in the grade has got higher pay scale under the ACP Scheme.

9. On upgradation under the Scheme, pay of an employee shall be fixed under the provisions of FR 22(1)a(1) subject to a minimum financial benefit of Rs.100/- as per the Department of Personnel and Training's Office Memorandum No.1/6/97-Pay 1 dated July 5, 1999. The financial benefit allowed under the ACP Scheme shall be final and no pay-fixation benefit shall accrue at the time of regular promotion i.e. posting against a functional post in the higher grade.

8. Grant of higher pay scale under the ACP Scheme shall be conditional to the fact that an employee, while accepting the said benefit, shall be deemed to have given his unqualified Acceptance for regular promotion on occurrence of vacancy subsequently. In case he refuses

to accept the higher post on regular promotion subsequently, he shall be subject to normal debarment for regular promotion as prescribed in the general instructions in this regard. However, as and when he accepts regular promotion thereafter, he shall become eligible for the second upgradation under the ACP Scheme only after he completes the required eligibility service period under the ACP Scheme in that higher grade subject to the condition that the period for which he was debarred for regular promotion shall not count for the purpose. For example, if a person has got one financial upgradation after rendering 16 years of regular service and after 2 years there from if he refuses regular promotion and is consequently debarred for one year and subsequently he is promoted to the higher grade on regular basis after completion of 19 years (16+2+1) of regular service, he shall be eligible for consideration for the second upgradation under the ACP Scheme only after rendering twelve more years in addition to two years of service already rendered by him after the first financial upgradation (2+12) in that higher grade i.e. after 31 years (16+2+1+12) of regular service because the debarment period of one year cannot be taken into account towards the required 14 years of regular service in the higher grade.

8. In the matter of disciplinary/penalty proceedings, grant of benefits under the ACP Scheme shall be reflect to rules governing normal promotion. Such cases shall, therefore, be regulated under provisions of relevant CCS(CCA) Rules, 1965 and instructions there under.

12. The proposed ACP Scheme contemplates merely placement on personal basis in the higher pay-scale/ grant of financial benefits only and shall not amount to actual/functional promotion of the employees concerned. Since orders regarding reservation in promotion are applicable only in the case of regular promotion, reservation orders/roster shall not apply to the ACP Scheme which shall extend its benefits uniformly to all eligible SC/ST employees also. However, at the time of regular/functional (actual) promotion, the Cadre Controlling Authorities shall ensure that all reservation orders are applied strictly.

13. In case an employee declared surplus in his/her organization and in case of transfers including unilateral transfer on request, the regular service rendered by him/her in the previous organization shall be counted alongwith his/her regular service in his/her new organisation for the purpose of giving financial upgradation under the Scheme.

**OFFICE MEMORANDUM**

Dated Aizawl, the 5<sup>th</sup> March, 1990.

Subj : Grant of Deputation(Duty) allowances to Mizoram State Government Employees transferred on deputation to ex-cadre posts or outside the normal field of deployment.

The undersigned is directed to say that due to various administrative reasons and in the interest of public service, Mizoram Government servants have to be transferred on deputation from one Department to another Department. Such transfer to other Departments may or may not be within the normal field of deployment. Since this Government does not have separate rules governing transfer on deputation it has been following the Central Rules. Under these rules, a Government servant on transfer on deputation to a post outside the normal field of deployment or to an ex-cadre post is entitled to opt either the scale of the deputation post or his own grade pay in the parent cadre plus deputation (Duty) allowances. So far, in Mizoram there is no uniform practice, that it is to say, whereas some are allowed to exercise the option as stated above, others are not allowed. For example, technical officers like AE/SDO posted to other Department are not allowed to exercise option but some officers posted to DRDA, LAD, etc. are allowed the option. This has created an anomaly. There are many categories of employees liable to be posted by transfer on deputation from their parent Department to other Departments/Offices/Agencies. The deputation post in these cases cannot be said to be outside the normal field of deployment. For example, Employees belonging to Mizoram Finance & Accounts Services are deployed in various other Departments as FAO/Accountant, etc. Likewise, employees under the Department of Economic and Statistics are posted to various Departments as Statistical Officer/Statistical Assistant/Research Officer, etc. Some are officers belonging to P.W.D. & Power and Electricity posted to various other Departments as JE/SDO. A view has therefore to be taken so that uniformity is maintained by all the Departments.

2. It is also seen that in respect of all Group 'A' & 'B' Officers under the Govt. of Mizoram, the relevant Recruitment Rules are amended precluding exercise of such option. According to this amended Recruitment Rules any Officer or official can be transferred to any other post of position which is equivalent in rank or grade. Connected with this is deputation to foreign service as in the case of persons posted to State Government/Corporation/ Autonomous bodies like ZIDCO, DRDA, KVI, etc. whose

terms of appointment are governed under separate rules. However, since these officials are also transferred and posted or deputation for decision to be taken in the matter may also be made applicable to these categories of Government employees.

3. In order to effect economy and uniformity, the undersigned is, therefore, directed to order that :-

(i) In all cases of transfer/posting under the Govt. of Mizoram from one department/body/agency to another department/body/agency neither Deputation (Duty) Allowances will be admissible nor exercise of option will be allowed. Such Govt. servants transferred on deputation will draw their grade pay in the parent cadre without Deputation (Duty) Allowance even if the deputation posts carry higher pay scale, but can exercise the financial/administrative statutory powers vested in the regular incumbents as the case may be.

(ii) The above decision contained in Para 3 (i) will, however, not apply to Personnel Assistant/Private Secretaries to Ministers in view of their special nature of duties. These Personal Assistants/Private Secretaries are, therefore, eligible to deputation duty allowances as admissible under the Rules subject to the stipulation that no official below the rank of an Assistant or equivalent shall be so deputed as Personal Assistants/Private Secretaries to Ministers.

4. This order shall be in force with effect from the date of issue.

5. All Administrative Departments/Heads of Department are requested to strictly comply with the content of this Office Memorandum.

6. Receipt of this Office Memorandum may please be acknowledged.

**OFFICE MEMORANDUM**

Subject : **Time limit for completion of ACR.**

Attention of all Govt. servants is invited to O.M. No.A.28011/1/89-POL dated 20.12.1990 wherein it was laid down, inter-alia, that a Confidential Report shall be written for each Financial year and completed within two months of the close of Financial year.

It has been noticed that, of late, there have been cases where some officers failed to submit/complete their ACRs within the prescribed limit which had caused inconvenience to Government particularly at the time of consideration of their cases of promotion, confirmation, crossing of efficiency bar. This is seriously viewed by Government.

With a view to ensuring that these instruction are scrupulously followed by all concerned and all the ACRs are completed in time, the Governor of Mizoram is pleased to partially modify the time limits prescribed for completion of ACRs in the above mentioned Office Memorandum as follows :

1. Self-assessment : All Officers/Members of the Staff reported upon should submit their ACRs after filling up Part II (self-assessment) to the Reporting Officer within one month from the date on which the ACR is due (i.e. 1<sup>st</sup> April). If an officer fails to submit his self-assessment within the time limit, the Reporting authority should initiate the ACR without waiting for such self-assessment within the time limit, the Reporting authority should initiate the ACR without waiting for such self-assessment from the officer to be reported upon. In such cases an entry in the ACR should also be made that the officer reported upon has failed to comply with the Government's instruction in this regard.
2. Initiation of ACR : The Reporting authority should submit the ACR to the reviewing authority by the 31<sup>st</sup> of May of the relevant year. In case the Reporting authority fails to complete the ACRs in respect of his subordinates within the prescribed time limit, the lapse on his part is to be viewed seriously and an entry should be made in his ACR that he fails to complete the ACRs of his subordinates in time.

3. Reviewing authority : The Reviewing authority, after reviewing, should submit the ACRs to the Accepting authority by the 15<sup>th</sup> of June of the relevant year. If he fails to complete the same within the prescribed time limit, the lapse on his part will be viewed seriously and an entry in his ACR should be made that he fails to complete the ACRs of his subordinates in time.

4. Accepting of ACR : The Accepting authority, after accepting, should submit the ACR to the custodian of the ACR concerned by the 30<sup>th</sup> of June of the year. A serious view will be taken if the accepting authority fails to complete the same within the prescribed time limit.

With a view to ensuring that this instructions are scrupulously followed by all concerned all Secretaries and Heads of Departments shall bring these instructions to the notice of all their Subordinate Officers/Staff. For easy compliance, these instructions may also be explained in the staff meeting, etc. at the earliest.

In case of Ministers it will be the responsibility of the P.S./Officer who submits the ACR to the Minister to see that the time limit is followed.

**OFFICE MEMORANDUM**

Dated Aizawl, the 21<sup>st</sup> July, 2006.

Subject : Guidelines in regard to departmental proceedings and criminal case being proceeded with simultaneously.

On the basis of the guidelines and in the light of judgement of Apex Court, the undersigned is directed to say that the following guidelines shall be followed when departmental proceedings and the criminal case are proceeding simultaneously.

(i) Departmental proceedings and proceedings in a Criminal case can proceed simultaneously and there is no bar in their being conducted simultaneously though separately.

(ii) If the Departmental proceedings and the criminal case are based on identical and similar set of facts and the charge in the criminal case against the delinquent employee is of a grave nature which involves complicated questions of law and fact, it would be desirable to stay the departmental proceedings till the conclusion of the criminal case.

(iii) Whether the nature of a charge in a criminal case is of a grave nature and complicated questions of fact and law are involved in that case, it will depend upon the nature of the offence, the nature of the case launched against the employee on the basis of evidence and material collected against him during investigation of as reflected in the charge sheet.

(iv) The factor mentioned in (ii) and (iii) above cannot be considered in isolation to stay the departmental proceedings but due regard has to be given to the fact that departmental proceedings cannot be unduly delayed.

(iv) If the criminal case does not proceed or its disposal is unduly delayed, the departmental proceedings even if they were stayed on account of the pendency of the criminal case, can be resumed and proceeded with so as to conclude them at an early date so that if the employee is found not guilty the honour may be vindicated and in case he is found guilty, administration may get rid of him at the earliest.

(vi) If an employee has been acquitted of a criminal charge, the same by itself would not be a ground not to initiate a departmental proceeding against him or to drop the same in the event an order of acquittal is passed.

(vii) If within the period of 6 (six) months criminal case is not over, then the departmental proceeding can very well proceed further so that the same can be concluded at an early date.

This Office Memorandum partially modify this Department's O.M. No. C. 11017/1/85-VIG Dt. 2.6.1992 and this guidelines should be brought to the notice of all disciplinary authorities for their guidance and strict compliance.
