

P R E F A C E

I deem it a matter of great privilege and honour to bring out the Third Edition of the Profile of MCS Officers as on 01.04.2013.

In our endeavour to show as accurate record as possible, information has been collected from various sources. In the process of collection and compilation, some errors might have been committed by way of commissions or omissions for which I sincerely apologise.

I am grateful to Pu Jacob Lalawmpuia, Assistant General Secretary, who had devoted time and energy wholeheartedly for making this compilation. This publication is possible only due to his personal efforts. I am also very thankful to all the Mizoram Civil Service Officers for their support and co-operation.

This publication should not, however, be taken to convey any sanction or authority in matters of seniority of the members or any of the information contained in it. I hope that this document will be useful as a source of information and also promote better co-operation and understanding between the members of the Service.

Dated Aizawl
