PREFACE

I take great pleasure yet again in bringing out the Fifth Edition of the MCS Profile as on 14th May 2015.

In our effort to show the MCS Profile as accurate as possible, basic information has been collected from various sources. In the process of collection and compilation, some errors might have been occurred by way of commissions and omissions for which I sincerely apologized.

I am grateful to Pu V Lalengmawia, Asst General Secretary, who had devoted time and energy wholeheartedly for making this compilation. This publication is possible only to due his personal efforts. I am also very grateful to all members of the Mizoram Civil Service Association for their unending support and cooperation.

Further, in this Fifth Edition, we have incorporated additional lists containing all MCS Officers since inception, list of MCS Officers inducted to IAS, list of officers who died while in service, and those who left service before retirement. It is the effort of our Senior Member Pu H. Laizika MCS due to which these lists could be compiled and incorporated in this edition. I am really thankful to him for his efforts.

This publication should not, however, be taken to convey any sanction or authority in matters of seniority of the members or any of the information contained in it. I hope that this document will be useful as a source of information and also promote better cooperation and understanding between the members of the Mizoram Civil Service Association.
